BSBSS00103 New Business Venture Skill Set

Is this course for me?

This course enables aspiring entrepreneurs to take the next step in getting their small business or new business unit off the ground. You will explore business opportunities and develop a business plan, complete with financial tables. You will also develop skills essential to running a small business, such as determining resource requirements, finance and marketing. Given the technical nature of this course, we recommend students have language, literacy and numeracy skills equivalent to Certificate III level.

This course is available to participants under the Self-Employment Assistance program.

Eligibility

To be eligible for the Self-Employment Assistance program, you must:

- be at least 15 years of age;
- not be prohibited by law from working in Australia;
- not be an overseas visitor on a working holiday visa or an overseas student studying in Australia;
- not be an undischarged bankrupt; and
- not be enrolled in full-time secondary education

To check your eligibility, contact MTC FutureReady.

You will require the Language Literacy, Numeracy and Digital skills to:

- Conduct basic internet research
- Engage in online learning, including video conferencing sessions
- Create simple word-processed documents and spreadsheets.
- Read and comprehend simple written documents and numerical texts.

You must have access to:

- A computer or laptop.
- The internet.
- Word-processing software.

Nationally Recognised Training

mtc FutureReady

Why this course?

Our trainers are both experienced and approachable, and will work closely with you to help you achieve your goals. Gain confidence with new skills, a certification, and a clearer career path for your future. Our flexible, blended delivery model allows students to fit their study in around other commitments.

Practical Skills

This course addresses the skills and knowledge to plan and develop new business ventures for a business generating self-employment, or for an existing organisation.

Recognition of Prior Learning (RPL)

We recognise the prior knowledge and skills students may have gained through previous training, education or work, including formal and informal learning. Recognition of Prior Learning (RPL) is a process that assesses your competency, acquired through formal and informal learning, to determine if you meet the requirements for a unit of study.

Respect

MTC FutureReady celebrates the things that make us all unique and aims to make clients feel welcome, safe and supported.
